

Mathews Bros. . . . has exciting news once again!

New Boat Model!

The new Blackwater 40' offers a larger salon and vee berth areas - custom designed to fit your needs! This design has been pre-approved for the Volvo IPS drive system, and promises to provide everthing you want in a new boat!

New Location!

Mathews Landing

(formerly Black Dog Boat Works)

Located on the Choptank River in Denton, this new location allows us to offer an expanded selection of services. These will include - but not be limited to - haul-outs, in-water repairs, in any of the slips onsite, and covered outside storage.

We're very excited about the potential at Mathews Landing, and are planning a fall Rendezvous that is tentatively set for October 29th - so save the date and keep an eye on our website for updates and RSVP information!

Top quality service!

Low Labor Rates!

Indoor Boat Storage

Our most popular storage option, keeps your boat out of the harsh winter weather.

\$6.50/sq/ft/season*

Outdoor Boat Storage

Our most economical storage option, your boat is kept in a secure fenced yard; shrinkwrapping is available.

\$2.25 lineal ft/mo*

Covered Boat Storage

Our newest option located at Mathews Landing. Covered open sheds provide some protection from inclement weather.

\$3.50/lineal ft/mo*

**storage fees only*
